

# 2021 AIA KS Design Excellence Awards

Recognizing outstanding architecture in the state of Kansas, designed by AIA Kansas members.

The AIA Kansas Design Excellence Awards recognizes outstanding architecture coming from Kansas. Award recipients will be publicly announced during the AIA Kansas | AIA Central States Region Design Excellence Awards Celebration on Thursday, October 7, 2021. The AIA Kansas Design Excellence Awards have been developed to encourage and recognize excellence in architecture, to elevate public awareness and to recognize the architects, consultants, contractors and owners whose efforts enhance the built environment.
